MEMORANDUM FOR: Special Support Assistant/DDS

SUBJECT : Adoption of Administrative Authority
of the Foreign Service Act

1. The current practice of this Agency generally requires that the employee complete a two-year tour abroad prior to receiving home leave. We also generally require the employee to repay the Government for travel costs and related expenses when he fails to complete the first year of an overseas tour. These requirements place Agency personnel at a disadvantage in comparison to other personnel.

a. That the Agency employee's eligibility for home leave be established upon completion of 18 months' continuous service. Paragraph 451.1-1b, FAM Vol. 3 states:

"c. An employee who has had 5 years of continuous service in the Foreign Service.

"d. An employee on his first assignment abroad who has completed the assignment, or has served 2 years of such assignment, provided he has not had home leave within the past year;

"...The Service requirements specified in this section may be waived by the Department when acceptance of a resignation is determined to be advantageous to the Government."

2. Adoption of the foregoing recommendations would:

a. Provide greater flexibility and,

b. Place Agency personnel on more equal terms with State employees with whom they share substantially the same working conditions.
